Stonewall Jackson Memorial Hospital (SJMH) is pleased to announce the return of several physicians to the Emergency Department in April and the start of a new hospitalist program.

SJMH CEO Avah Stalnaker explained that with a modified hospitalist program the ED physicians serve as emergency department providers but extends that service to admitting the patient to the Hospital. By focusing on the care of the hospitalized patient, the physician can gain a great deal of knowledge in all aspects of the patient’s needs during their hospital stay.

Dr. Michael Gregory, of the Emergency Department and Lively Healthcare Center, at Jane Lew, welcomes the returning physicians and physician assistant to the Emergency Department who include Dr. Waid McMillion, Dr. Tyler Hall, Physician Assistants Erik Robey, and Mark Harris.

Dr. Gregory will be one of the ED/Hospitalists in the new program and noted, “I am so happy to see the return of these physicians. Stonewall will now have one of the best Emergency Department/Hospitalist programs in the state and it will be right here at home.”

Dr. Gregory is a Gilmer County native, and graduated from Gilmer County High School in 1987. He graduated from Glenville State College in 1991, and received his medical degree from the West Virginia School of Osteopathic Medicine, in Lewisburg. His residency was completed at UHC in Clarksburg and he started at SJMH in 1996.

He is married to Beth McHenry Gregory of Glenville. The couple has three children – Tim, 31; Scott, 25; and Hollie Jo, 20.

Dr. Tyler Hall is one of the returning Emergency Department physicians.

He is a Lewis County High School graduate and received his undergraduate degree in biology and chemistry from Glenville State College. He received his medical degree from the WV School of Osteopathic Medicine, in 2010. Dr. Hall’s residency was at United Hospital Center, Clarksburg.

He has one child, Eli.

“I am so happy to return to practice in my hometown hospital. I am working with my family and friends. It has been a fun road and I have learned so much along the way…as a matter of fact I am still learning with each shift I work,” said Hall.

Hall is board certified in family medicine. He has a special interest in sports medicine and emergency medicine.
For Our Patients!

A member of the credit department will be available at the hospital to meet with patients Tuesdays through Fridays from 8AM – 4PM effective immediately. They will be located in the radiology department in the office beside Brenda Tonkin. ALL patient phone calls should still be directed to the credit department at (304) 517-1160.

JAP 5/1/2015
Traffic Curtailed During Weston 5K Walk/Run April 14; Great Weather

With several days to go, organizers of the Weston 5K Run and Wellness Walk are pleased with the interest in the event to be held on Sat., April 14. Start of the race will be at 10 a.m. that day at the corner of West Second and Center Avenue in Weston. There will also be a Wee Run for children ten years of age and under, which begins at 11 a.m. And as always, well-behaved dogs are invited to join the fun.

The weather for this Saturday's Weston 5K looks terrific with a high of 78 degrees and low of 58 degrees and only a 10% percent chance. Residents are reminded that some streets will be closed for the race in downtown Weston.

The route has been adjusted this year. Racers will traverse a route on Main, Court, and Center Avenues. The race begins at Saint Patrick Church, and will go south on Center Avenue, taking a right onto First Street and then another right onto Main Avenue and running north to Fourth Street. At Fourth Street participants will turn right to Center Avenue and proceed to 6th Street, crossing over to Court Avenue and back to First Street, then to Center. Repeat the lap and then proceed to Court Avenue and turn right on 2nd to the finish line.

Stonewall Jackson Memorial Hospital, The City of Weston, and Saint Patrick Church and School cooperate for the event.

Lewis County students from kindergarten through grade 12 can participate for a $3 pre-registration fee which must be in by April 12. This is made possible by selling sponsors for the back of the shirts. The students should have their registration in by April 8 to enjoy the $12 savings. This is an effort to provide healthy opportunities for children. Prizes in both the female and male contests are $150-first place; $75-second place; and $25-third place. This year there are nine age categories which include: under 11; 11-15; 16-19; 20-29; 30-39; 40-49; 50-59; 60-69; 70+.

Corporate sponsors are WHAW, WWRW, and WOTR FM Radio, WDTV, McCarty’s, Lewis County Printing, The Citizens Bank, Giovannini’s, Theresa Snaith Hospital Auxiliary. Cost for the race is $15 pre-registration, and $20 the day of the race.

Rotary Blood Screening

Other tests available are: PSA that tests the physician in the detection of prostate cancer, TSH and T4 for thyroid screening, and HOMOCRD RNA C which measures cumulative glucose values. Vitamin D is a good screening test for hypovitaminosis and will aid in determining if other vitamin D supplements may be necessary. Rheumatoid arthritis can help aid in the diagnosis of rheumatoid arthritis and other auto immune diseases. The Urine Test can help determine infection, metabolic disorders, and other disorders such as liver disease. All test results will be mailed to the participant.

All participants should fast for 12 hours.

Saturday, April 21 and Saturday, April 28
7 a.m. to 10 a.m. Ground floor of SJMH

This service is provided by the Weston Rotary in association with Stonewall Jackson Memorial Hospital. As part of the American Cancer Society’s 80:20 program, we are encouraged to advocate screening for good colon health. SJMH will provide free basic occult blood tests for interested patients.
Park Cleanup Day
We are needing help to clean, mulch, etc. our parks including:
Willow Creek Park, Polk Creek Park, the Urban Orchard, and Lively Park
Saturday, April 21 from 8 a.m. to 3 p.m.
Call MonHealth Stonewall Jackson Memorial Hospital’s Marketing Department
to volunteer - 269-8167 or 269-8149.

Smoking Areas
Employees and visitors are advised that smoking is allowed
in the smoking hut located
across from the Emergency Department Entrance.

Hospital patients should use the
ground floor location next to
the Hospital kitchen to smoke.

We are sorry for any
inconvenience this may cause.
