GSC President Visits SJMH Staff

Dr. Tracy L. Pellett, president of Glenville State College, visited with the staff of Stonewall Jackson Memorial Hospital (SJMH). The meeting was very productive on many levels and gave SJMH staff the opportunity to welcome Dr. Pellett and discuss collaboration between the two institutions.

The meeting was coordinated by SJMH IT Director Steven Cox, whose son attends the Gilmer County college.

Some of the ideas discussed concerned the possibility of internships at SJMH; providing vaccinations for GSC staff and students; mentoring IT and business students; providing scholarships for SJMH employees; collaborating on events and walk/runs in the future.

Dr. Pellett was very appreciative of the brainstorming session. He wrote to the group.

“Steven and all, Thank you for the quick follow-up and an excellent meeting on Friday. I am extremely excited to forge a long and lasting partnership between Stonewall Jackson Memorial Hospital and Glenville State,” he wrote. “Thanks so much for the kind hospitality shown. You clearly have a good and dedicated working group.”

Compliance Newsletter Submission 12/14/18

On December 11, 2018, the Joint Commission released Sentinel Event Alert No. 60, titled Developing a Reporting Culture: Learning from Close Calls and Hazardous Conditions. While the Risk Managers from all over the System work to finalize a standard roll-out for each facility, it has now become apparent that event reporting is no longer just required by our employment at SJMH, but it is now a requirement by the Joint Commission, and will, undoubtedly be an integral part of any upcoming surveys. Therefore, reporting is now, most assuredly, a compliance issue as well as a risk and patient safety issue. So, a reminder from our RLS training: any event, even those which do not reach a patient or an employee, should be reported. Let’s keep in the habit of it, so we will always be “survey ready”.

NOTICE
FLEXIBLE SPENDING ACCOUNTS CHANGE for 2018 & 2019

Please note the Medical Flexible Spending Account Plan rules are changing effective 12/31/18. Previously, a balance of $100 or less was allowed to rollover into the following year for your use.

Effective 12/31/18, there will NO LONGER be a $100 rollover.

Instead, we are allowing whatever your balance is (400, 1000, etc.) to roll into 2019, BUT you must spend it all with services received between 1/1/19 & 3/15/19. Effective 3/15/19, any balance left will be forfeited and you will only have the balance of your 2019 election.

Keep in mind when you select the amount of money to defer in 2019; that you might have rolled over a balance from 2018 to be spent by 3/15/19. The same process will occur as of 12/31/19 into 2020.

EXAMPLES: Employee X has a balance of $287.30 on 12/31/18. Employee X elected to defer $1500 in 2019. Employee X has a total of $1,787.30 to spend in 2019, however $287.30 must be spent by 3/15/19.

Employee W has a balance of $452 on 12/31/18. Employee W does not enroll for 2019 at all. Employee W will have the $452 to spend on services until 3/15/19.

When you wear the Mon Health Feel the Difference T-shirts next Friday, December 21, please take a pic of your department, or group and send to js-pelsberg@stonewallhospital.net or nhefner@stonewallhospital.net. Thanks!
