Stonewall Jackson Memorial Hospital (SJMH) announces that Stonewall Jackson Home Care (SJHC) underwent a recertification survey by the Office of Health Facility Licensure and Certification (OHFLAC). Homecare received no deficiencies during the survey, and SJMH has not received any deficiencies for the previous surveys in 2015. The survey was conducted the week of June 19 through the 21, 2017. OHFLAC conducted it at the Homecare office at Market Place Mall, as well as conducting five in-home visits, they reviewed documentation for fourteen clinical records. SJHC services Lewis, Gilmer, and Braxton Counties. Visits were made with nursing, physical therapy, the home health aid to ensure quality of care was being provided.

The surveyors commented that the clinical staff performed very well and Home Care Director Jane Eisenbeis was exceptionally pleased.

She stated, “It is nice to receive no deficiencies because it’s a confirmation of the excellent care we provide to our patients. The surveys can make us nervous but we also use them as an educational tool to ensure that we are providing the best of care.”

Eisenbeis also commented that this was clinical supervisor Becky Davis’ first survey experience with OFLAC at SJHC and she did a wonderful job. The surveyors thanked her in particular for her scheduling for the surveyors.

The Home Care staff includes:
- Jane Eisenbeis, RN
- Becky Davis, RN- Clinical Supervisor
- Maria Potter, RN- Clinical Quality Coordinator
- Vicky Browning, RN
- Harold Humphrey, RN
- Brandie James, RN
- Charlene Wiant, Home Health Aid
- Kathryn Ralston-Fealy, PT
- Jennifer Preteroti- PT
- Sarah Giebell, PT
- Leanne Coffield, PTA
- Brigetta Fisher- PTA
- Sandy Smith, Data Entry Clerk
- Bianca Quinn, Biller

SJHC care provides care that allows a person with specific needs to stay in their own home. Stonewall Jackson Home Care provides professional services after experiences, such as:
- Hospitalization
- Nursing Home Stay
- Outpatient surgery

The local home care services include:
- Skilled Nursing - providing complex skilled services such as injections, wound care, complex teaching or disease management (such as diabetes, heart disease and lung disease), intravenous therapy, and nutritional services.
- Physical Therapy - working to create a home program that can include strengthening exercises, range of motion activities, transfer techniques, and safe walking tips with or without assistive devices such as canes and walkers.
- Certified Nursing Assistants - offers help with bathing, foot and nail care, assistance with exercises and walking, and catheter care.

Requesting School Supplies

SJMH CEO Avah Stalnaker (pictured at left) shows the school supplies she bought to help with a current effort. SJMH employee and local organizer Connie Riffle is requesting the SJMH staff and Weston community’s help by providing back-to-school needs for the 50 school bags she is preparing for children who attend the July 29 Polk Creek Community Day and Movie Night. Donations can be given to the SJMH Marketing Department. Connie has a variety of activities planned for the evening. The Lewis County Family Resource Network and Stonewall Jackson Memorial Hospital will provide food and drinks. Most of the Lewis County Fire Departments will be available for demonstrations, as well as Healthnet (weather permitting.)
Family Day and Movie Night Will be July 29 at Polk Creek

Connie and John Riffle are preparing for a Family Day and Movie Night at the Polk Creek Community Park, in Weston, on Saturday, July 29 beginning at 4 p.m. There are a number of activities planned for the day including educational stations throughout the park. When a child completes the entire set of stations she/he will receive a backpack with school supplies for the new school year.

The staff at Stonewall Jackson Memorial Hospital (SJMH), where Connie works, is collecting the supplies for the school bags. Connie estimates that there will be at least fifty bags for attending children.

The Riffles have been the driving force behind the incredible renovation to the park since taking it over several years ago. What began as a field of overgrown weeds is now an oasis of recreational opportunity with a basketball court, picnic tables, metal pavilion, Noah’s ark, swings, teeter-totter, and an old-fashioned sliding board. A local resident has offered to pay for the installation of a volleyball court, too.

The Lewis County Family Resource Network will be serving food and the staff at Stonewall Jackson Memorial Hospital will have ice cream novelties and drinks for the attendees.

Paint Mis-Behavin’ will provide face painting and balloon creations. Local business Shentel will be showing the movie “Finding Dory” that evening at dusk. Participants should bring a chair or blanket. The 2016 movie illustrates the life of Dory (Ellen DeGeneres) - a wide-eyed, blue tang fish who suffers from memory loss every 10 seconds or so. The one thing she can remember is that she somehow became separated from her parents as a child. With help from her friends Nemo and Marlin, Dory embarks on an epic adventure to find them. Her journey brings her to the Marine Life Institute, a conservatory that houses diverse ocean species. Dory now knows that her family reunion will only happen if she can save mom and dad from captivity.

On July 21 the Riffles will have a volunteer meeting at the park at 6 p.m. to finalize the plans.

One of the first steps in the renovation of the Polk Creek Community Park was the mowing by volunteers.

After several years of hard work with support from local volunteers, grants, the City of Weston, and Stonewall Jackson Memorial Hospital, Connie and John Riffle’s vision of having a playground at the old Polk Creek School has been realized. The playground is increasing in popularity by the day.

Buy tickets from Surgery Staff
Fresh Fruit At Night

SJMH is always looking for ways to provide a healthy atmosphere for our employees. Employees who work in the evening and at night do not have access to our cafeteria and it is difficult to provide healthy choices in the vending machines. As a trial run, there will be fresh fruit - apples and oranges - in the registration department for purchase. So if it is 2 a.m. and you want an apple, you will be able to buy one at registration.

NEEDED: Connie Riffle is collecting schoolbag supplies for the bookbags she will be giving out on Saturday, July 29 at the Community Day and Movie Night at Polk Creek Park, beginning at 4 p.m. She wants to have 100 bags ready for the children that day. Bring your donations to Marketing. She will be happy to accept pencils, pens, crayons, folders, notebooks, etc.
Christmas in July

The Weston Christmas Parade theme is “Christmas Around the World”.

Employees are asked to give their best float ideas. This year’s parade can incorporate lights on the float for extra points.

The winner will receive a prize after the parade.

Entrants must be willing to volunteer time to help create the float. Deadline for ideas is July 31.
