Family Day and Movie Night
At Polk Creek Community Park

Connie and John Riffle, along with the Weston Parks and Recreation Board, announce a Family Day and Movie Night, at Polk Creek Community Park, on Saturday, July 29, beginning at 4 p.m.

The Community Celebration has been a dream of Connie’s since she and John began the park renovation several years ago. The park has continued to improve with the addition of more attractions and expanded use by children in the neighborhood as well as others from throughout the Weston area.

Connie noted that a variety of organizations and individuals are using the park for birthday parties, family reunions, and even a school reunion.

There are a number of activities planned for the July 29th event including a presentation by Shentel who will be showing “Finding Dory” that evening at dusk. Participants should bring a chair or blanket that evening to sit on.

The 2016 movie illustrates the life of Dory (Ellen DeGeneres) - a wide-eyed, blue tang fish who suffers from memory loss every 10 seconds or so. The one thing she can remember is that she somehow became separated from her parents as a child. With help from her friends Nemo and Marlin, Dory embarks on an epic adventure to find them. Her journey brings her to the Marine Life Institute, a conservatory that houses diverse ocean species. Dory now knows that her family reunion will only happen if she can save mom and dad from captivity.

This movie is a favorite of young and old alike.

A variety of non-profit groups are involved in the celebration including the Family Resource Network who will provide refreshments and a book bag for each child who completes all of the stations during the day. Magistrate Robbie Clem will be grilling hot dogs for the children. The staff of Stonewall Jackson Memorial Hospital (SJMH) will provide ice cream, fresh fruit, ice tea, and water for participants.

SJMH is also sponsoring Kristy Aldridge, who will provide face painting and balloons from 4 to 6 p.m.

Connie plans to have stations throughout the playground with safety and health tips at each. When a child completes all the stations they will receive the school bag with supplies.

Connie is currently taking donations for the supplies. She already has the bags supplied by the Family Resource Network. To donate supplies bring to SJMH’s front console or contact Marketing.

Games will be provided by the Family Resource Network, SJMH, and Weston Fairs and Festivals.

Other participants include: John Snyder with the Weston Fire Department Smoke House; the Walkersville and Pricetown Fire Departments; as well as HealthNet, weather permitting.

The park has been made possible by grants from a variety of organizations over the past three years and the dedication of the volunteers who have made this possible.

Weston Celebrating 70th Fourth of July in Style

The Weston Fire Department has been collaborating with the Weston Fairs and Festivals Committee for the annual Fourth of July Celebration at the Robert Bland Middle School Field. This year, thanks to the generosity of businesses, and fundraising efforts there will be no admission to the fireworks display. Gates open at 12 noon. Volunteers began fund-raising efforts in March starting with a monopoly tournament at the Fire Department; followed by a Blenko glass vase raffle, and the wonderful fundraising by the staff at Weston Hardees to make this possible. Several local businesses also stepped forward to support the effort with very generous donations including H&M Motors, Mountain V, Dominion, and Citizens Bank of Weston. Stonewall Jackson Memorial Hospital will be helping with the Kids Korner.

“When there was some talk that the fireworks might not be held a number of volunteers stepped forward and offered their help to the Fire Department. It was a great coordination of effort with the Kenny James to make this a real community celebration,” said Weston Mayor Julia Spelsberg, also a Fairs and Festivals member. “It is wonderful that we came together for this community celebration.”

Central to all of the effort has been the Fire Department’s Dalmatian dog Halligan. One of the major contests at the Fourth of July Celebration will be a spotted dog contest, imagined by Weston resident Brenda Reed, to honor the Fire Department’s sidekick.

The spotted dog contest will be at 1 p.m. by the stage. Participants are invited to bring their pet, normally a dog but any living lifeform will be allowed. The only condition is that it must have spots – whether real or natural. There are a number of ways to do the spots, including chalking them on the coat; using dog-safe cosmetic paint; or even taping on spots. There is no registration fee...just come for an enjoyable contest.

A children’s Powerwheel race will be at 1:30 p.m. by the Kids Korner, adjacent to the concession stand and permanent pavilion at the Field. A cornhole tournament will be held by the stage beginning at 2 p.m. There is a $20 entry fee for this event. Please sign up by 1:45 to enter. A hula hoop timed contest will be held at 2:30 at the Kids Korner. There will be a prize for both the adult – teen – and children’s categories.

Weston’s Finance Manager Dodie Arbogast is coordinating the Watermelon Contests – both seed spitting and eating categories, with all ages accepted.

A pepperoni roll contest will be at 4:30 p.m. located by the concession stand. The two categories in this contest will be for both a classic pepperoni and a “Free Style” roll. Bakers should bring six pepperoni rolls for the judges. The classic bun is a simple-style bun with just the pepperoni and the bread. The free-style category will allow any other ingredient in the roll, whether with sauce, peppers, and cheese or even a roll with ramps...it is up to the baker.

At 4 p.m. the crowning of the 2017 Flame Queen will be done at the Fire Dept.
